Black Ops 2, Modern Warfare 2, MW3 & Black Ops 4 Kill! Kill! is the 15th mission in Call of Duty: Modern Warfare 2, set in London, England on October 6, 2009. It is a mission that takes place after the events of the Reaper mission in the original game. You must eliminate the player character and the two American protagonists, Mason and Hush, by punching the main character, John Price, in the head, causing him to black out, and damaging him. The mission also features Brody, one of the game's four playable characters, who, at one time, has his own melee attack. The objective of the mission is to disarm two bombs planted on Price's motorcycle.
